To whom it may concern

Ms. Shraddha Bharatiya, 31, working with Peaceful Society as Programme Coordinator since April 2015. She did master in economics and post master in International trade and commerce, both from Pune University. She decided to work for community wellbeing on her own instead of joining corporate sector. She worked with a social group in Delhi for two and half years and thereafter interacted with various social organisations, movements and religious faiths. She volunteered with Peaceful Society for a year and thereafter became Programme Coordinator. Her main thrust is life Skills / value education and gender sensitisation, for which she has conducted various workshops and seminars in schools and colleges across Goa. She is responsible for coordination, designing and implementation of various programmes. She also handles communication, administration and documentation work. She displays strong leadership qualities which make her invaluable to our organisation.

This has been issued on her request.
