To Whom It May Concern:

This is to certify that Mr. Ashis Kumar Kundu, S/O Joydeb Kumar Kundu and Sujata Rani Dey, has been working with Coastal Development Partnership as the Finance Coordinator since August 2013. He is a very dynamic person with positive approach to work.

The organization would like to take the opportunity to enroll him in the online diploma course titled "Diploma in Financial Management and Accountability". In this regard the organization will support all the cost for this training through the Organizational Capacity Building Project.

I wish him every success in life.

S. Jahangir Hasan Masum
Executive Director
